DISTILLED IN THE PURE SOUTH OF NEW ZEALAND

*Our story begins with Joerg and Bernd; a pilot and an engineer,
two Germans living the Southern Alps of Aotearoa.*

*Their passion for perfecting spirits of rare complexity resulted in a firm friendship
centred around the superb gin they first created.*

*But when Bernd fell ill and passed away, he left a legacy of broken hearts behind him;
a legacy cemented by Joerg's decision to share their superb spirits with the world
- spirits named Broken Heart.*
